December 20th
6:30 p.m.

Dear Friends of the Drive In Church,

Once again, Summer has sped by, and kids are already back in school. Here at the church, we're getting ready for an exciting time as we cruise into the final months of 2025.

Crafting for Recovery is coming up on **September 13th, 10:00-3:00** in Friendship Hall. There will be crafters presenting and selling their handiwork, a bake sale, raffles, and a good time meeting new friends who are committed to supporting people in and seeking recovery in our community. All proceeds will benefit our church's Women in Recovery Scholarship Program.

The Fall Semester of **Wednesday Evening Bible Study** kicks off on **September 24th**. We'll be tackling several scriptures, leading us to discover ways we are called to walk with Jesus through life's blessings and challenges. With the theme, "Another Way", we'll look at scriptures from both the Old and New Testaments that call us to see things in a new light, and then to act in faithful ways. You can join us for a potluck dinner on Wednesdays at 6:00 p.m. in Friendship Hall, stay for Bible Study at 7:00 p.m., or register to join us for the study online by visiting our church website at driveinchurch.net.

Also, in September, we have an opportunity to learn and grow together along with our community. We are hosting a **Senior Lunch and Learn** on **September 24th, 11:00 a.m. to 12:30 p.m.** in Friendship Hall. Progressive Medical Research, in partnership with the Port Orange South Daytona Chamber of Commerce will be providing a presentation on Early Detection of Alzheimer's and support for caregivers. Lunch will be provided as well. Registration details will be available soon.

But wait! **There's more!** Check out the list of "Coming Soon" events happening through the end of the year. I can't wait to share these significant times with you in service to our community and to Jesus. Blessings!

In today's fast-paced world, many are quietly wrestling with anxiety, depression, and burnout—and often, the church can be a place of refuge and renewal. As a caring community rooted in Christ's love, we want to destigmatize mental health struggles and offer grace and understanding to those navigating them.

If you or someone you know is facing mental health challenges, we encourage exploring resources like the National Alliance on Mental Illness (NAMI.org), the Crisis Text Line (text HOME to 741741), and FaithNet, NAMI's outreach to faith communities. Locally, Volusia County offers several support options:

- **Mental Health Association in Volusia County** – Offers counseling, support groups, and outreach programs. Located at 531 S Ridgewood Ave, Daytona Beach. Call (386) 252-5785 or visit mhavolusia.org.
- **Presbyterian Counseling Center** -A Mission for Mental Health Care and Awareness to the Community. Call/Text 386-258-1618 or visit presbyteriancounseling.com
- **SMA Healthcare** – Provides crisis response, outpatient therapy, and substance use services. Call (800) 539-4228 or explore smahealthcare.org.
- **Halifax Health** – Child & Adolescent Behavioral Services – Specialized care for ages 2–17. Located at 841 Jimmy Ann Dr, Daytona Beach. Call (386) 425-3900 or visit halifaxhealth.org.
- **The House Next Door** – Family-centered counseling and mentoring programs. Based in Deland. Call (386) 734-7571 or visit thehnd.com.
- **Volusia County Mental Health Support Groups** – A wide range of peer-led and professional groups for grief, anxiety, addiction, and more. Browse listings at volusia.com/local-support-groups.

Together, we can be a sanctuary of **hope, healing, and restoration.**
