"Colton Williams and Julie Harrison and Chadwick James Williams, please pray for peace, healing, and unity within my family. I pray that we can all put our differences aside, communicate with kindness and grace, and allow God to guide our hearts and our decisions. Please pray that God takes control of the situation, softens our hearts, heals any hurt or resentment, and helps everyone choose what is best with love, patience, and understanding.

We go into family court this morning; I just need prayers for understanding and peace with collaborating. My heart is hurt and my nerves are everywhere. "
