

Stretching the Sermon

March 14, 2021

The following are intended to help the reader reflect back on the previous Sunday's sermon and offers an opportunity to dig deeper into ideas, concepts and reactions that will stretch what you have already gained from the sermon.

How you proceed, or if you proceed, is up to you. You may find that writing out answers suits you best. There is also the option of simply responding without writing. Another option is to go through this with a spouse or friend. You need not worry, as you will not be graded on your responses. My hope and prayer is that you will find it useful.

Please keep in mind that the sermons can be accessed on the church site.

1. How content are you with your spiritual address?
2. Is it time for you to move forward in your Christian life by asking God to show you the path God has chosen for you?
3. It might be interesting to pursue what Paul suggests about us periodically looking at our lives from that "heavenly view", from the perspective of God's vantage point and be motivated by that perspective.
4. How content are you with the progress you are making on your road of faith?
