

Stretching the Sermon

May 23, 2021

The following are intended to help the reader reflect back on the previous Sunday's sermon and offers an opportunity to dig deeper into ideas, concepts and reactions that will stretch what you have already gained from the sermon.

How you proceed, or if you proceed, is up to you. You may find that writing out answers suits you best. There is also the option of simply responding without writing. Another option is to go through this with a spouse or friend. You need not worry, as you will not be graded on your responses. My hope and prayer is that you will find it useful.

Please keep in mind that the sermons can be accessed on the church site.

As one of the 120 people who had just experienced the filling of the Holy Spirit, choose one of the following. Feel free to do both if you wish.

1. Write a letter to your family back home explaining the event you have just experienced. Make sure that your family understands the emotions you are feeling and the advice you have for them.

2. Your children are close by and are frightened by what is happening. You need to explain to them what you have experienced and how that is going to change your life and your relationship with them forever.
