ReNew Recovery Café

The **FIRST** Recovery Café in Florida to be launched in the Greater Daytona Beach Area is very, very close to having a location! When that happens, all hands and feet on deck as the space is cleaned and renovated for the Grand Opening!

Watch this space for more developments!

A Recovery Café is a safe nonjudgmental place for persons traumatized by addiction, homelessness and mental health challenges. Based on a membership model, persons are provided a meal, social support, development of positive relationship and life skills, and increase in self-esteem. (see recoverycafenet-work.org)

Please Note: We are in need of a person in long-term recovery to serve on the Founding Board.

There are also opportunities to become Volunteers at the Café — as Café Companions, and School for Recovery Instructors (classes include Relapse Prevention, Trades and Hobbies, Coping and Life Skills).

It is important to have YOU at the table!!!
