Hymm of Joy "Awake! Awake, and Greet the New Morn"

Awake! awake, and greet the new morn, for angels herald it's dawning, sing out your joy, for soon he is born, behold! the Child of our longing. Come as a baby weak and poor, to bring all hearts together, he opens wide the heav'nly door and lives now inside us for ever.

Rejoice, rejoice, take heart in the night, though dark the winter and cheerless, the rising sun shall crown you with light, be strong and loving and fearless; love be our song and love be our prayer, and love, our endless story, may God fill ev'ry day we share, and bring us at last into glory.

Closing Hymm

"Joyful, Joyful, We Adore Thee"

Joyful, joyful, we adore thee, God of glory, Lord of love; hearts unfold like flowers before thee, opening to the sun above. Melt the clouds of sin and sadness, drive our fear and doubt away; giver of immortal gladness, fill us with the light of day.

Mortals, join the happy chorus; stars of morning, take your part; love divine is reigning o'er us, binding those of tender heart. Ever singing, move we onward, victors in midst of strife; joyful music leads us sunward in the triumph song of life.

Benediction
