

# **HAPPY BIRTHDAY CHURCH**

Do you know that Pentecost is the birthday of the Church?

It was on the Day of Pentecost after Jesus' death and resurrection when the Holy Spirit was poured out on Jesus' followers that the church began (Acts 2). From that moment thousands of people from diverse backgrounds converted by the power of the Holy Spirit and in the following years Church became a global phenomenon.

## **Let's Celebrate!**

This is a great moment to have a celebration to remember the birth of the Church. So, what about baking a cake? Microwave cake works too! ;-)

## **The Candles**

After you figure your strategy and have the cake ready, put twenty candles to represent the Church age. Each candle can represent a century in the life of the church. Carefully light-up the candles and sing "Happy Birthday". Enjoy!

## **Pray**

Give thanks God for the gift of the Holy Spirit.

## **For further spiritual growth**

Study and share Acts 2 with your family.
