

# **TAKE FOOD TO THE LOCAL FOOD PANTRY**

(Also, you could bring it to the church. On a weekly basis we deliver food to the Halifax Urban Ministry)

During the Jewish Festival, the people were reminded to provide for the poor. This is a great moment to pick up some of your own non-perishable food and take it to the local food pantry.

## **Scripture**

Luke 3:11: “Whoever has two shirts should share with the person who doesn’t have any. Whoever has food should share it too.”

## **Pray**

For people in need.
